**E X T R A ! ! ! E X T R A ! ! !**

Tin Huey has been invited to play a set at

**The Rock & Roll Hall of Fame  
Clevo, Ohio  
Saturday August 9th.**

**WE ACCEPT!**

## REPORTING IN--

The "*Ralph Carney Exhumes Tin Huey*" *micro mini tour 2003* was so much fun...playing, hanging, seeing old friends, making new friends...that we've decided that WE'RE GONNA DO MORE STUFF. So, in addition to the Rock Hall, we're gonna do a Warm-Up/Big Fun gig at:

**Akron's Lime Spider, Friday August 8th**

We'll keep you updated in terms of performance times, who's on the bill, etc. Also, we found we loved playing together again so much that we're currently looking at material and logistics in anticipation of recording a new Tin Huey album.

To keep up with the new initiatives, bookmark our website: <http://www.tinhuey.com>.

At the website, you'll find our play list, links to our **WFMU** radio webcast (we played 7 or 8 songs on that one) and the **WKSU** radio webcasted story on us (very kind/flattering...thanks again), acknowledgements, anticipatory press for the mini tour, and pics from the tour gigs. You can also find links to get info and/or purchase both Huey albums as well as stuff from **Chris Butler** and **Ralph Carney** through the website. Streaming audio and video may yet be coming...we're updating the site as we speak...

We also want to thank everybody in San Fran, NY and Ohio that helped us get ready for these gigs--enabling us to get back together and be a band again, as well as all of you who attended our shows in Ohio and the NY area or provided encouragement. It's been great...and the plastic surgery is gonna be soooo cool!

XOXO  
The Hueys.
